Rivers Gathering at
Yeshua's Vineyard

6214 Moore Road, Nashville,
NC 27856

May 23-25, 2025

Join us here at Yeshua's vineyard for a great time together!

Our time begins at 7 PM on Friday night and concludes around noon on Sunday. We'll hear inspiring talks and testimonies. We'll enjoy worshipping together in the presence of the Lord. Creative Ministries will be leading your children in a wonderful time. Kenny will be sharing with the youth during a special session with them. We'll be participating in Creatives (art, music, writing, and farming). I believe you'll be encouraged and refreshed. Come away and spend this time with the Lord and His people! Out of our innermost being come rivers of Living Water!!!

For more than 40 years Fay Nelson and Cliff Ann Perry of Creative Ministries have been telling people around the world about Jesus using tools of creative drama, interactive Bible Study, interpretive movement, mime, multi-media presentations, puppetry, reader's theater, story-telling, and music. They present the gospel to those who haven't yet received it and to Christians to help them grow in faith. There are separate sessions for the children during the talks and the prayer time with this team. They'll have a blast!!!

For more info about Creative Ministries, you can go to their website at www.creativeministries.org.

Our Speakers-John & Amy Hobbs

John Hobbs gave his life to Jesus at age 10. Youth camps greatly impacted his life. At age 19, John had a profound encounter with Jesus as Lord. In 1986, he answered a call to ministry. John graduated with honors from Elim Bible Institute & College. He has planted and pastored several churches. In 2016, he said, "Yes!" to serving his father in Maranatha Ministries Unlimited. This was a sweet time prior to his dad's home-going in 2022. John now serves as Director of Ministries for MMU.

Amy Hobbs is Director of Food Services at the YMCA of Southeastern NC, working 14 years with the Child & Adult Care Food Program. In 2004, she became certified as a CACFP Management Pro and a CACFP Child Nutrition Pro, which she has helped expand. This has been the discovery of a new passionate ministry path where ministry happens daily.

John & Amy love spending time with their 3 grown children and 3 grands and are living life to the fullest!
