GLORY BEAMS

Kenny Davis Ministries

Whatever you do, work at it from the soul, as for the Lord and not for people. For you know that from the Lord you will receive the inheritance as a reward. It is to the Lord Messiah you are giving service. Colossians 3:23, 24

The View from the Vineyard—Here

at the Vineyard we're seeing a building sitting beside our log cabin, The HobbNob. It's something that has been a vision for us for quite some time, and we're very excited about it. We've raised funds and have spent those in getting to the point we now find ourselves. And we've taken another leap of faith to continue into the next phase to actually complete the outside of our barn and to make ready our pole barn area for gatherings. And so, we are fund raising once again. This phase will cost approximately \$22,000 (the full cost of the remainder of the work to be done is approxi-

mately \$85,000). Once again we ask you to help us as the Lord may lead you in doing so. We are completing a book, *Journey To The House*, of Kenny and John's ministry travels we will be launching soon to help us raise these funds also. And we're working on the grounds here in hopes of planting a Prayer Garden and Trail for folks to spend time in prayer. Our desire is to be faithful to the vision to bring it forth in God's way and in His time. We are abundantly grateful for all your help!

We want to invite you to join us for our Spring Retreat at Yeshua's Vineyard, a *Rivers Gathering* May 23-25, 2025. You'll find a brochure with all the details attached here with this newsletter. Please make your reservations soon—it's right around the corner! We don't want you to miss this time of gathering.

We also want to thank you who are partners with us in Kenny Davis Ministries. We stand in awe of your faithfulness to continue to support this work with your prayers and your finances. We are blessed to call you friends and think of you often, enjoying the moments we get to spend with you from time to time in our travels, our prayers, and our communications with you. We are grateful for the sweet fellowship in the Lord that we share with you. And it's always exciting to see and hear of all that God is doing in your lives. These are exciting and challenging times in which we live. What a blessing to see the Kingdom of God growing even amid our days in this world in which we now live!

Kenny's Journal— In addition to the ministry around the homefront, in February I ministered in worship at the North Florida CFO. Dan and Jenni Piatt were our speakers. It was interesting to note that they had to make a similar decision as Kim and I had made earlier in our lives to leave their denomination and follow the voice of the Lord elsewhere. It had not been easy, but they shared about their journey. I saw them as such servants of Jesus. They were chaplains in the fire department and other service organizations. Dave also brought along his trumpet and played with us in worship. Andy finished out our little band with his cajon (drum). I experienced a real freedom to lead worship with the group.

Dave and Martha Dobra were such a blessing as they shared about their mission trip in International CFO. There was such joy to hear and see pictures of the lives they touched. I also especially loved how our morning began with Father Jon, a Canadian Anglican Priest, who led us in partaking of communion. Every day was challenging and joyful at the same time. Morning meditations were always a wonderful way to start the day with the Word of God. And the icing on the cake was gazing at the stars with Steve Hubbard in the nighttime sky as he guided us to look through his telescope. What brilliance to magnify the Lord! Isn't it great that in Jesus' glory we shine like the brightest stars?!

Kim and I will be traveling again April 25-27 to Falls Church, VA to the Sockless Nerd Retreat. We always have a great weekend! And in May, I'll be at the MMU Men's Retreat at Camp Emmanuel, Kill Devil Hills, NC May 16-18. The following weekend, May 23-25, we'll be having a Rivers Gathering Retreat here at Yeshua's Vineyard. Then in June we have two CFOs where we'll be leading worship—Indiana CFO June 8-13 and Keystone CFO (PA) June 20-24. Contact us if you'd like more info on any of these. Hope to see you along our way!
